| | | Mentoring Report | | |
| | | <p>Mentoring system is introduced in the college with the sole purpose of catering to the needs of the students in the academic and personal level. The college being Autonomous college, many students are from economically weaker section of society mostly from rural areas lacking proper academic background & facing financial constrain. Mentoring system thus essential feature to render equitable service to the students coming from different background. Mentoring system in the college provide support to the students through advice & counseling, through friendship building, through re-enforcement & constructive role model. Thus mentoring expands beyond teaching to the advancement in the educational & personal growth of the mentee.</p> <p>(EMPOWERED AUTONOMOUS)</p> | | |

| | | Mentoring has become a necessity to resolve problems relative to academics and other related issues faced by the students. Mentoring can build a healthy relationship between the students and teachers in building their discipline performance and also for positive growth of the students from B.Sc. II. 5 students were assigned to me for mentoring. Mentoring register is maintained to record mentor-mentee programme. During mentoring students academic performance in internal and external exams were discussed. Mentee's problem relating to information related to reference book about value added course, career guidance, about competitive examination, study time table planning etc. were taken up and suggestions were made accordingly. Students were encouraged to take part in different activities. Slow learners were identified and given special help in encouragement and motivation while advance learners were encouraged to reach their full potential. Mentor is satisfied with the positive responses of the mentees and subsequent healthy outcome of the sessions. | | |

| | <p>The student mentoring scheme is an important initiative that helps mentors understand & counsel students problems & difficulties from B.Sc.I () group). 5 students were assigned to us, During mentoring. Students academic performance in CIE & internal examination were discussed. Mentee's problem relating to preparations of competitive exams, reference books from library, students Id, career guidance, family problems etc. were taken up & suggestions were made accordingly. The students received appropriate guidance & solving of problem assistance. This activity boosted mentee's morale, confidence & career clarity.</p> <p>(EMPOWERED AUTONOMOUS)</p> | | | |

| | | <p>A student mentorship programme is a crucial activity. Through this activity students troubles and difficulties can be recognised and in accordance with. They can be guided while functioning as a mentor. Total students from BSCI (A and B group) were guided by me. There were few learning and technical problems. It includes problems like time management. Competative exams, preperation, personal issues and some issues related with mental health. Students provided assistance in solving their issues. This activity help to increased self esteem, self confidence, make career decisions and develop career potential students.</p> | | |

| | | <p>Mentoring is a crucial activity. It can build a healthy relationship between the students and teachers in building their discipline and for positive growth of the students. From B.Sc-II 5 students are assigned to me for mentoring. During mentoring students academic performance in internal and external exam were discussed. Mentee's problem relating to opening of ABCIEd about scholarship, career guidance, study time planning etc. were taken up and suggestions were made accordingly. Students were encouraged to take part in different activities. Mentor is satisfied with the positive response of the Mentee and subsequent outcome of sessions.</p> | | |
