To,
Deputy Director,
Regional Forensic Science Laboratory, Kolhapur

Subject: Permission to visit Laboratory

Respected sir,

With reference to above mentioned subject, students of
M.Sc. I & II Organic chemistry wish to visit your Laboratory on
19th Jan. 2019 at 11.30 a.m.

Kindly permit the same and do the needful.

Thanking you,

Dr. D. B. Patil

Co-ordinator,
M. Sc. Organic Chemistry,
Vivekanand College, Kolhapur

Yours faithfully,

(Dr. S. Y. Hongekar)

Quality Initiatives/ Activities Report

1. **Name of Department:** Chemistry
2. **Name of Organized Activity:** Forensic Science laboratory visit .
3. **Date:** : 19/ 01/2018
4. **Duration:** 11.30 am
5. **Aims and Objectives:**
 - To make awareness among the students of Science about the importance of Science and necessary skills of Forensic Science laboratory.
 - The visit converted three major areas; Biological sciences, chemical Science and physical Science each area provided valuable knowledge.
 - And other skills to make the science related and Forensic Science laboratory models by using the different accessories.
 - Students will experience the importance of unity which will lead them to a target successfully.
6. **No. of beneficiaries:**
 - No. of participants = 59
7. **Expenditure & funding agency:** Department of Chemistry, Vivekanand College, Kolhapur.

Brief Description:

Vivekanand College, Kolhapur. Department of Chemistry visit the Forensic Science laboratory Science Day through the Forensic Science laboratory visit for the students of M. Sc. - I and II.

The honorable Principal of our college Dr. R. R. Kumbhar sir inaugurated this event at 11.30 noon. The chief aim of the Forensic Science laboratory visit is to make aware the students about the importance of science, current knowledge in various fields of science – physics, chemistry, botany, zoology, biotechnology and research going on , and applications in fields of technology, electronics, and nanomaterial science etc.

Students will experience the importance of team work and will learn how the team work achieves the expected target in a very good manner.

Total 59 students have participated the competition including M.Sc.-I and II students. The subjects of the Forensic Science laboratory visit included in the purpose of the visit was to gain practical insight into the various branches of forensic science and understand their application in solving crimes and providing justice.

Students have done the task with a lot of joy, enthusiasm and curiosity. Number of students of M.Sc.-I, II and the students of other subjects , physics, zoology, botany, comp. science visited department of chemistry. The faculty of other departments also visited the Forensic Science laboratory visit the students.

8. Outcomes :

The visit also inspired the students with research ideas and expanded their knowledge base, which can be beneficial when conducting literature reviews designing research methodologies, and formulating research questions within the field of forensic science.
