Quality Initiatives/ Activities Report

1. **Name of Department:** Chemistry
2. **Name of Organized Activity:** Wallpaper Presentation
3. **Date Duration:** Saturday,08-12-2018
4. **Aims and Objectives:**
 - To understand the presenting a wall paper provides excellent practice in explaining quickly and clearly why your project is important and what your findings mean a useful skill to apply when revising a speech or paper on the same topic.
 - Poster presentations are an excellent platform to improve your presentation skills. One advantage is that those poster sessions allow you to explain your wallpaper differently. You can present as short as 3 minutes but can go up to 15-20 minutes. You also learn to communicate your work visually and verbally to a broader audience.
 - The students have to know the wallpaper presentation's purpose is to visually communicate the latest topic in a quick, efficient, and effective manner
5. **No. of beneficiaries:**
 - No participants = 16
 -
6. **Expenditure & funding agency:** Vivekanand College, Kolhapur
7. **Brief Description:** The department of chemistry organized 'Wallpaper Presentations' for undergraduate students. The chief guest Dr. S. Y. Hongekar (Principal of Vivekanand College, Kolhapur). Principal sir motivated the students for create a learning and efficient environment. Appreciated the students for their hard work and unique thoughts. Dr. D. B. Patil (head of the department of chemistry) also expressed views in terms of arranging wallpaper presentations.
The vote of thanks was proposed by Dr. S. D. Shinde.
8. **Outcomes:**

The students benefited from this activity and understanding how to present wallpapers in short time more confidently.
