

Dr. Mrs. S. D. Shirke

Department of Chemistry.

Date: 16<sup>th</sup> ~~Nov.~~ 2022  
September

To,

The Principal,

Vivekanand College, Kolhapur (Autonomous)

**Subject: Regarding permission to organize "Poster Presentation Competition"**

Respected Sir,

The department of Chemistry is going to celebrate the "International Ozone day". On this occasion the department is going to organise "Poster Presentation Competition" on **Wednesday, 29<sup>th</sup> ~~November~~ 2022 at 12:30 pm.** Kindly give the permission to arrange the above said programme at Smruti Bhavan.  
September

Thanking You,

Your's Faithfully,

S. Shirke

(Dr. Mrs. S. D. Shirke)

### Quality Initiatives/ Activities Report

1. **Name of Department:** Chemistry
2. **Name of Organized Activity:** Poster Presentation Activity on the occasion of International Ozone Day
3. **Date :** 29 September 2022
4. **Duration:** 12.30- 3.30 pm.
5. **Objectives:**
  - To make awareness among the students of Arts, Commerce and Science about the importance of International Ozone Day and to promote the necessary skills of drawing, painting and thus to enhance their imagination power.
  - And other skills to make the science related posters and models by using the different accessories.
  - Students will experience the importance of unity which will lead them to reach a target successfully.
6. **No. of beneficiaries:**
  - No. of participants = 150
7. **Expenditure & funding agency:** Department of Chemistry,  
Vivekanand College, Kolhapur9
8. **Brief Description:** Department of Chemistry celebrated the Ozone Day through the Poster Presentation Competition for the students of B. Sc. - III and M. Sc. - I and II.  
The honourable Principal of our college Dr. R. R. Kumbhar sir inaugurated this event at 12.30 noon. They guided our students about the vital importance of Science in our lives.  
The chief aim of the poster presentation competition is to make aware the students about the importance of ozone, ozone layer in stratosphere, current knowledge in various fields of science - physics, chemistry, botany, zoology, biotechnology and research going on, and applications in fields of technology, electronics, and nanomaterial science etc.  
Students will experience the importance of team work and will learn how the team work achieves the expected target in a very good manner.

Total 40 students have participated the competition including B.Sc.-III and M.Sc.-I and II students. The subjects of the posters included in the competition were Depletion in Ozone layer, applications of Solar energy, role of Metal Complexes, Factors affecting depletion of Ozone layer, Renewable energy sources, Biodiversity, Save Ozone -Causes and solutions.

Students have done the task with a lot of joy, enthusiasm and curiosity. Number of students of B.Sc.-I, II and the students of other subjects , physics, zoology, botany, comp. science visited the event at department of chemistry. The faculty of other departments also visited the same and congratulated the students.

The faculty of Computer Science-Dr.Mrs. Rajashree Patil and Dr. Sanjay Latthe from Physics dept. were the experts, they examined the posters to draw the three numbers .For first, second and third numbers prizes were distributed to promote them and to give inspiration to work hard to achieve the bright future.

#### 9). **Outcomes :**

The students came to know the concepts and ideas in specific scientific method, how to explain and exagurate them with the help of suitable diagrams and to draw them in proper manner and writing the phenomenons , reaction mechanisms as they themselves participated in that matter.

The students of other departments in Arts and Commerce visited the event and it became easy to understand themselves the new ideas in science era . |
