Action Taken Report

Meeting Date: 3rd Aug. 2020

Meeting Location: online meeting

Chairperson: Dr. D. B. Patil, Head of Chemistry Department

Minutes of the Meeting:

Item No. 1: Discussion on Problems Occurred During Online Lectures and Their Solutions

Action Taken: It was unanimously decided during the meeting to record lectures and upload them to YouTube as a solution to address internet connectivity problems during online lectures.

Item No. 2: Discussion on Methods of Conducting Online Practicals

Action Taken: The decision reached during the meeting was to record demonstrations of practicals and their accompanying theory sessions in the department, with the respective teachers responsible for this task. These recordings will then be uploaded to YouTube for students' access.

Additional Comments:

1. Recording lectures and practical demonstrations and making them available on YouTube is an effective solution to mitigate the challenges posed by internet connectivity issues, ensuring that students have access to the educational content at their convenience.
2. Teachers should coordinate among themselves to schedule and record these sessions promptly to align with the curriculum.
3. The department should establish a clear process for uploading and organizing these educational materials on YouTube to make them easily accessible to students.
4. Continuous monitoring and evaluation of the effectiveness of this approach should be carried out, and any necessary improvements should be implemented promptly.
5. The department remains committed to providing quality education to its students, and these measures demonstrate its adaptability in the face of challenges brought about by online education.
