	<p>Mentoring scheme in college allow the students to feel more connected to their teachers & creates a community culture. Students receive support they need during their academic career - Problems in understanding the theoretical concepts, different queries in practicals / experiments. Also they can ask about solution for any familiar problems, their tensions, depressions as well as financial problems also.</p> <p>A stronger relationship with teachers, parents help to improve interpersonal skills, increases self-confidence & self-awareness.</p> <p>Through the college events students learn to developing contacts, identifying resources, to face any accidental problems. During this year number of students benefited this activity which will definitely encourage their careers & empower the personal development.</p>
