Department of Chemistry
Perspective Plan (2018-2022)

- ✚ **Expansion of Academic Programs:**
 - To Introduce new postgraduate programs such as M.Sc. Analytical & Inorganic Chemistry.
 - To initiate career orientated course entitled Preparation of Household Chemicals
 - To increase student strength of M.Sc. (Organic Chemistry)
- ✚ **Enhancement of Research Activities:**
 - To Increase research output and visibility through collaborations and partnerships.
- ✚ **Infrastructure Development:**
 - To Upgrade existing infrastructure to meet the evolving needs of modern chemistry research.
 - To Establish new laboratories for Analytical & Inorganic Chemistry.
 - To renovate the existing chemistry Laboratories.
- ✚ **Technology Integration:**
 - To embrace cutting-edge technologies in teaching and research.
- ✚ **Student Engagement and Support:**
 - To enhance student engagement through research opportunities, internships, and industry collaborations.
 - To establish mentorship programs to support students in their academic and professional journeys.
- ✚ **Adoption of Online Education:**
 - To explore and implement online and hybrid learning models to increase accessibility.
- ✚ **Strategic Planning for Funding:**
 - Actively seek and secure external funding for research projects and infrastructure development.
