Activity Type:

Workshop

Activity Title:

Workshop on Government Support for Entrepreneurship Deployment

Activity Overview:

In an era where entrepreneurship is increasingly becoming a driving force for economic growth and innovation, it is essential for undergraduate (UG) students to be well-informed about the various opportunities and support available for aspiring entrepreneurs. To address this need, we are excited to introduce the "Government Support for Entrepreneurship Development" workshop. This workshop aims to provide UG students with the knowledge, tools, and inspiration needed to embark on an entrepreneurial journey. It will shed light on how the government plays a pivotal role in fostering entrepreneurship and supporting the development of startups and small businesses.

Throughout the workshop, we will explore the following key topics:

- The role of entrepreneurship in economic development and job creation.
- Various entrepreneurship opportunities, including innovative and sustainable business models.
- Government support mechanisms, such as grants, loans, tax incentives, and mentorship programs.
- Real-world success stories and case studies of entrepreneurs who have benefited from government support.

The workshop will be led by experienced professionals and experts in the field of entrepreneurship and government policies. They will share their insights, experiences, and practical advice to help students navigate the entrepreneurial landscape effectively.

Learning Objectives:

1. To aware the students **about entrepreneurship opportunities:**
2. To **Foster an entrepreneurial mindset**
3. To aware the students **about government resources**

Desired Outcome:

1. workshop will inspire and equip students with essential Entrepreneurial skills
2. Attendees will leave the workshop with a new found motivation to explore entrepreneurship as a viable career option

Contents of Activity:

The Participant students will able to know more on----

- 1 Entrepreneurship
- 2 Entrepreneurial skills
- 3 Government schemes
