Report

A group discussion on the topic “**Management in the 21st Century**” was organized on **4th February 2025** at **9:00 a.m.** in **Room No. 311** for the students of B.Com-II. The main objective of this activity was to encourage students to explore modern management practices, understand emerging trends, and enhance their communication and critical thinking skills.

A total of **16 students** enthusiastically participated in the discussion. The session was moderated by a faculty member. Participants were divided into smaller groups to discuss various aspects of 21st-century management such as:

Each group presented their viewpoints with relevant examples and current trends. The students showcased excellent articulation, analytical thinking, and teamwork during the session. The discussion was interactive and informative, allowing the participants to express their ideas confidently.

The event concluded with a brief summary by the moderator highlighting the key takeaways and appreciating the active involvement of all participants. The group discussion proved to be a valuable learning experience and contributed to the overall personality development of the students.
