**Students Mentoring Scheme Report (2020 – 21)**

Throughout the academic year, I provided counseling to 18 students of B.Com-I of 32 B.Com-I students, addressing their diverse challenges such as academic struggles, financial limitations, and logistical issues like travel arrangements. My role involved attentive listening, practical advice, and personalized guidance to help each student navigate their circumstances effectively. I prioritized creating a supportive environment where students felt comfortable discussing their concerns and seeking assistance.

From academic performance to financial hardships, I offered empathetic support and practical solutions tailored to each student's needs. Through these interactions, I aimed to empower students to overcome obstacles and achieve their academic and personal goals. By fostering trust and understanding, I created a conducive atmosphere for students to thrive.

My commitment to the well-being and success of each student guided every counseling session, ensuring that they felt heard, understood, and supported in their journey. I emphasized the importance of resilience, perseverance, and seeking help when needed to overcome challenges and reach their full potential.

Overall, my efforts in counseling and mentoring these students underscored my dedication to their holistic development and academic success. Through collaboration and support, I endeavored to equip them with the tools and mindset necessary to navigate life's challenges and achieve their aspirations.
