**Students Mentoring Scheme Report (2022 – 23)**

Students Mentoring scheme is an initiative to build a good rapport with the students and help to understand different problems faced by them and provide desirable solution upon it. Accordingly there were 37 students from F.Y.B.Com (22 students from English Medium and 15 students from Marathi Medium) mentored by Mr. Satish N. Chavan. Interactions with the students were been made from which their recommendations and problems were understood. Major problem faced by the students was relating to ABC Id. Generation for which necessary actions were been taken like addressing the problem to the concerned person shouldering the responsibility of looking into solving the problems relating ABC Id. Accordingly the problem was been solved. Also some students didn't updated information of their Aadhar Card which was solved by giving instructions to the concerned students. This helped the students to get their problems solved.
