## **Gurupournima Celebration Report**

Pleased to present the report on the Gurupournima celebration organized by the students of the Computer Science department on July 16, 2019. The event was a collaborative effort by students from the first, second, and third years, and it aimed to honor and express gratitude to our mentors who have played a pivotal role in our academic journey.

The Gurupournima celebration commenced at 11 am in the Computer Science department. The event was attended by faculty members and students from the department.

The event began with a Sanstha prarthna. This was followed by a welcome address by Miss. Shivani Ghevari expressing gratitude for the guidance received from teachers.

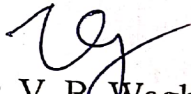

Students from each year delivered speeches and testimonials expressing their gratitude to specific teachers who have made a significant impact on their academic and personal development. This segment was particularly emotional, fostering a sense of unity and appreciation within the academic community.

The highlight of the event was the felicitation of faculty members. Each teacher was presented with a token of appreciation as a gesture of gratitude for their unwavering commitment to the students' success. The students collectively expressed their thanks and admiration for the guidance and support received.

From teachers of the department, Miss. R. Y. Patil and Dr. V. B. Waghmare share their thoughts and encouraged students. The Gurupournima celebration was a resounding success, bringing together students and faculty in a spirit of joy and appreciation. The event served as a reminder of the invaluable role that teachers play in shaping the future of their students.
