   Department of Electronics has organized a guest lecture on "Introduction of UMANG App. and PMKVY scheme". It was held on 14/7/2018 at 2.00p.m. in hall No. 14. In the said lecture Mr. D. M. Panhalkar, Head. , Department of Electronics presents a power point presentation on "UMANG app. and its facilities. In further presentation he explained the meaning of UMANG and its various applications.

   The Unified Mobile Application for New-age Governance (UMANG), is a Government of India all-in-one single unified secure multi-channel multi-platform multi-lingual multi-service freeware mobile app for accessing over 1,200 central and state government services in multiple Indian languages over Android, iOS, Windows and services such as AADHAR, DigiLocker, Bharat Bill Payment System, PAN, EPFO services, PMKVY services, AICTE, CBSE, tax and fee or utilities bills payments, education, job search, tax, business, health, agriculture, travel, birth certificates, e-District, passport and much more. This a key component of Digital India government initiative to make all traditional offline government services available 24/7 online through single unified app. App is initially available in 13 language and will replace or compliment 1500 apps launched by the government so far. This e-Gov service can be accessed via multiple channels, such as mobile app, IVR, website, etc. User numbers will be boosted by the roll out of Bharat Net. Users can Create and update Profile, Sort & Filter through categories and services, or search to access relevant services while on the move.

   It has synergies with other key Government of India schemes, such as Digital India, National e-Governance Plan, Bharat Net, Make in India, Startup India, Standup India, Industrial corridors, Bharat mala, Dedicated Freight Corridors and UDAN-RCS.I was participated in this activity. Mr. N. P. Mote has expressed the vote of thanks
