	Academic year (2021-22) <u>Mentor-Mentee Report</u>			
	<p>Mentoring is an essential program for grooming students by increasing their academic strengths. During this year I interact with mentee, I understood their difficulties related to academic, career, skill enhancement, Personality development, MPSC-UPSC examinations, etc.</p> <p>I have conducted a meeting with all allocated students. I explored them about infrastructural facilities such as Library, Laboratories, main offices, supporting units such as NCC, NSS, sports, and cultural. Also explained about various skill & value education added courses conducted by various departments.</p> <p>Some students has raised their issues related to placements in industries, skill courses in electronics, courses related to Internet of Things, Artificial intelligence etc I guided them for the same.</p> <p>As a conclusion mentoring helps the students to increase their skill & academic strengths.</p>
