Quality Initiatives/ Activities Report

1. **Name of Department:** Electronics
2. **Name of Organized Activity:** Workshop on "Technical Gadget Handling (तांत्रिक उपकरणे हाताळणे)"
3. **Date/ Duration:** Monday, 05/01/2026 at 11:00pm onwards.
4. **Aims and Objectives:**
 1. To develop basic technical knowledge of commonly used electronic gadgets.
 2. To enable participants to safely handle, connect, and operate technical equipment.
 3. To build confidence in identifying, setting up, and troubleshooting basic issues.
 4. To promote proper care, maintenance, and safe usage of technical devices.
5. **No. of beneficiaries:** Total 28 participants have been participated for this program.
6. **Expenditure & funding agency:/collaborators:** Nil
7. **Brief description:** A one-day workshop on "Technical Gadgets Handling" was conducted on 05 January 2026 by the Electronics Department in association with Internal Quality Assurance Cell (IQAC). The workshop was organized for senior and junior division lab assistants of the college. The session was held in Room No. 207 Vivekanand College, Kolhapur at 11:00 pm to 03:30 pm.

In first session the resource persons Dr. C. B. Patil, Head of the Electronics Department explained the functional components and real-world applications of gadgets, He elaborated how to identify computer ports and connectors, configuring VHF wireless microphones, operating PA mixer amplifiers, setting up intelligent cameras, and using interactive panels for professional presentations and teaching-learning activities. Emphasis was given on safety precautions, routine maintenance, and common troubleshooting techniques. In second session live-demonstration and hands-on practice is conducted. The session was interactive, and participants actively participated by raising queries and sharing their practical experiences. The President of the program was Dr. S. P. Thorat, Honorable Ic-Principal of this College. Dr. Shruti Joshi, IQAC Coordinator guided the attendees about this Programme. Dr. P. R. Bagade expressed sincere gratitude to the resource person for sharing valuable expertise and practical insights.

8. Outcomes:

1. participants demonstrated improved competence in identifying and using various computer ports and connectors.
2. They acquired practical skills in setting up and operating VHF wireless microphones and managing sound systems using PA mixer amplifiers.
3. Participants gained foundational knowledge in configuring intelligent cameras and effectively utilizing interactive panels for academic and professional purposes.
4. The workshop significantly enhanced their technical confidence, operational efficiency, and readiness to use modern gadgets in institutional settings.

9. Photos:

Dr. S. P. Thorat, Honorable Principal of this College and Dr. Shruti Joshi, IQAC Coordinator guided the attendees

The resource persons Dr. C. B. Patil, Head of the Electronics Department elaborating the various types of technical and electronic gadgets and its use.

Dr. C. B. Patil sir conducting actual hands-on training to the attendees

10. Signatures of coordinator/ organizer:

A handwritten signature in blue ink, appearing to be 'Patil', written over a blue circular stamp.
