	Students Mentoring 2021-22 Report.			
	<p>Students Mentoring Scheme is a very important initiative. Through this activity, the problems & difficulties of the students can be understood and they can be guided / Counseled accordingly. While working as a mentor total 15 students including B.A. I, II & III were guided by me. There were some difficulties of academic and ps psychological nature. They included issues like employment opportunities in various fields, personality personality development and various skills development development, preparing for competitive exams, improving reading culture, NCC, N.S.S, Cultural departments information, police recruitment, various courses after B.A., personal issues, issue related to mental health & physical health, social consciousness etc. The students were guided accordingly. Occasionally they were helped to solve the problems. This activity helped to boost the morale of the students, improve their academic confidence & clear their view regarding career opportunities.</p>
