	<u>Report</u>			
	<p>Students Mentoring Scheme is a very important initiative. Through this activity, the problems &amp; difficulties of the student can be understood &amp; they can be guided / counseled accordingly. While working as a mentor total 15 students including 15 students from B.A. part I were guided by Ms. Namrata D. Dhale. There were some difficulties of academic and psychological nature. They included issues like employment opportunities in various fields, personality development and various skills development, preparing for competitive exams, improving reading culture NCC, NSS, Cultural departments information, for various courses after B.A., personal issues, ABC ID, etc. The students were guided accordingly. Occasionally they were helped to solve the problems. This activity helped to boost the morale of the students, improve their academic confidence &amp; clear their view regarding career opportunities.</p>
