	<u>[ Report ]</u>			
	<p>Mentoring has become a necessity to resolve problems relating to academics &amp; other related issue faced by the students. Mentoring can build a healthy relationship between the students &amp; teachers in building their discipline performances &amp; also for the overall positive growth of the students. there were 8 students. provided them the platform for sharing their problems related to academic &amp; non-academic matters. provided them career guidance. Through this activity, the problems &amp; difficulties of the students can be understood &amp; they can be guided / counseled accordingly.</p>
