		<u>Report</u>		
		<p>The batch of students was mentored by me during 2023-24 (Academic year). I kept myself available to them as &amp; when required to discuss their problems &amp; concerns. provided important study material available as per their requirements which related to the syllabus &amp; Course.</p> <p>provided them information regarding free Online resources such as applications, websites, software etc. I organised interactive session for to discuss their problems. There were 9 students. It was indeed a huge task for me as a mentor. I tried my best to deal with each of these issues taking into consideration the problems faced by every individual student.</p>
