<u>Students Mentoring - 2020-21</u>				
<u>Report</u>				
<p>Students Mentoring scheme is a very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided/counseled accordingly. While working as a mentor 10 students from B.A. I were guided by me. There were some difficulties of academic and psychological nature. They included issues like employment opportunities in various fields, personality development and various skills development, preparing for competitive exams, improving reading culture, NCC, NSS, cultural departments information, police recruitment, various courses after B.A. personal issues, mental health, physical health, etc. The students were guided accordingly. This activity helped to boost the morale of the students, improve their academic confidence and clear their view regarding career opportunities.</p>
