2018-2019

Quality Initiatives/ Activities Report

1. **Name of Department:** Microbiology
2. **Name of Organized Activity:** Students seminar
3. **Date/ Duration:** 20th and 21st August, 2018
4. **Aims and Objectives:**
 - To provide an opportunity for students to gain knowledge and skills through interactive activities.
 - To make them familiar with the preparation strategies on particular topic
 - To improve presentation skill in students
5. **No. of beneficiaries:** 24 (Male 5, Female 19)
6. **Expenditure & funding agency:** Nil
7. **Brief description:** Total 24 students from B. Sc. III Microbiology, had delivered the seminars through powerpoint presentation. Total 10 minutes were given to each student for presentation followed by 2 minutes for discussion,
8. **Outcomes:** The teacher got to know the strengths and weakness of students in understanding of topics and their presentation skills. The

students were satisfied with this activity. They realized how to prepare for seminar topics and factors related to presentation.
