Quality Initiatives/ Activities Report

1. **Name of Department:** Microbiology (PG)
2. **Name of Organized Activity:** Students seminar
3. **Date:** 03/03/2025 and 04/03/2025
4. **Aims and Objectives:**
 - To provide an opportunity for students to gain knowledge and skills through interactive activities.
 - To improve verbal communication and to boost confidence of students
 - To improve presentation skill in students
5. **No. of beneficiaries:** 36 (Male 13, Female 23)
6. **Expenditure & funding agency:** Nil
7. **Brief description:** Total 36 students from M. Sc. II Microbiology, had delivered the seminars through power point presentation. Total 10 minutes were given to each student for presentation followed by 2 minutes for discussion.
8. **Outcomes:** Students gain a deeper understanding of the chosen topic through research, preparation, and engagement with the material. Students learn to attentively listen to and respond to others' ideas and questions. Students also learn to adapt their communication style to different audiences and situations. Students develop the ability to find, analyze, and synthesize information from various sources. Participating in seminars can boost students' self-esteem and confidence in their abilities. Seminars can expose students to different career paths and opportunities.
