Quality Initiatives/ Activities Report

1. **Name of Department:** Department of Microbiology
2. **Name of Organized Activity:** Clay Art Competition
3. **Date/ Duration:** One day. Date: 27th February, 2026.
4. **Aims and Objectives:**
 - i. To help student understand the concept of 'The Molecular World'.
 - ii. To motivate students to perform & outshine in their creative skills.
 - iii. To make subject interesting through creative ideas.
5. **No. of beneficiaries:** Total number –96, Female-51, Male-45
6. **Expenditure & funding agency:** Nil
7. **Brief description:** On the occasion of science day department has organized the “Clay art competition” on the topic "The Molecular World" on 27/02/26. Participants were challenged to select a specific molecule ranging from simple molecule to complex molecules and recreate them using modelling clay. Entries were evaluated based on scientific accuracy, structural stability and artistic innovation by Judges Mr. S. G. Kulkarni sir. Turning a traditional classroom topic into an interactive, high-energy learning experience
8. **Outcomes:**
 - i. Students felt motivated during activity.
 - ii. Students got to know about different concept of the molecular world.
 - iii. Students learn about innovative concept presentation ideas.

Department of Microbiology in collaboration with I.Q.A.C

Academic Year 2025-26

NOTICE

Date- 15/02/2026

All the students of B.Sc. & M. Sc. are hereby informed that, the Department of Microbiology in collaboration with I.Q.A.C is going to organize “Clay art competition” on topic “**The Molecular World**” on the occasion of ‘**National Science day**’ on 27th February 2026. All the interested students should register their name before 22nd February 2026 in Microbiology department.

■ **RULES:**

- ❖ Only 2 students are allowed per group
- ❖ The final clay art must fit within **30cm X 30 cm area**
- ❖ Students can use any **clay** (plasticine, polymer, ceramic or air dry clay)
- ❖ Support structure (wire, toothpicks) are allowed but should be hidden.
- ❖ Your model must represent a specific molecule, crystal lattice or biological structure.
- ❖ All part must be hand sculpted.
- ❖ Provide a card listing short explanation of its importance of your clay model
- ❖ E-Certificate will be given to all the participants.
- ❖ First three winners will be given trophy & certificate.

Respected Madam,

Department of Microbiology in collaboration with I.Q.A.C. is organizing various competitions on the occasion of "National Science Day" on 27th February to 28th February, 2026. These competitions provide learning opportunities for students through showcase of talent and skills.

With this, we would like to invite you as the judge for "Clay Art competition" which will be held on 27th February 2026 at Microbiology Department. Your graceful presence will be a source of inspiration for the students.

Kindly accept our invitation.

Thanking you,

Yours faithfully,

Dr. T.C. Gaupale
