Quality Initiatives/ Activities Report

1. **Name of Department:** Microbiology
2. **Name of Organized Activity:** Extempore Competition
3. **Date/ Duration:** 17th September 2025
4. **Aims and Objectives:**
 - To assess the student's ability to think critically, articulate their thought clearly and communicate effectively on given topic within a limited timeframe.
 - Explore the creative talent of the students and force them to think outside of the box.
 - To enhance time management and pressure handling skills in the students.
 - To promote better understanding of subject in students.
5. **No. of beneficiaries:** (Male-22; Female -32)
6. **Expenditure & funding agency:**
7. **Brief description:**

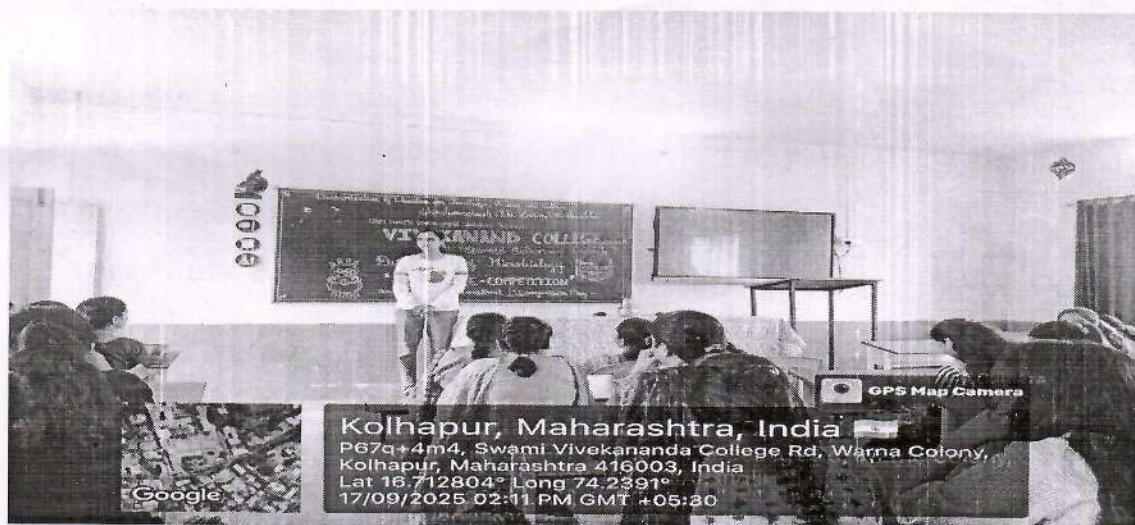

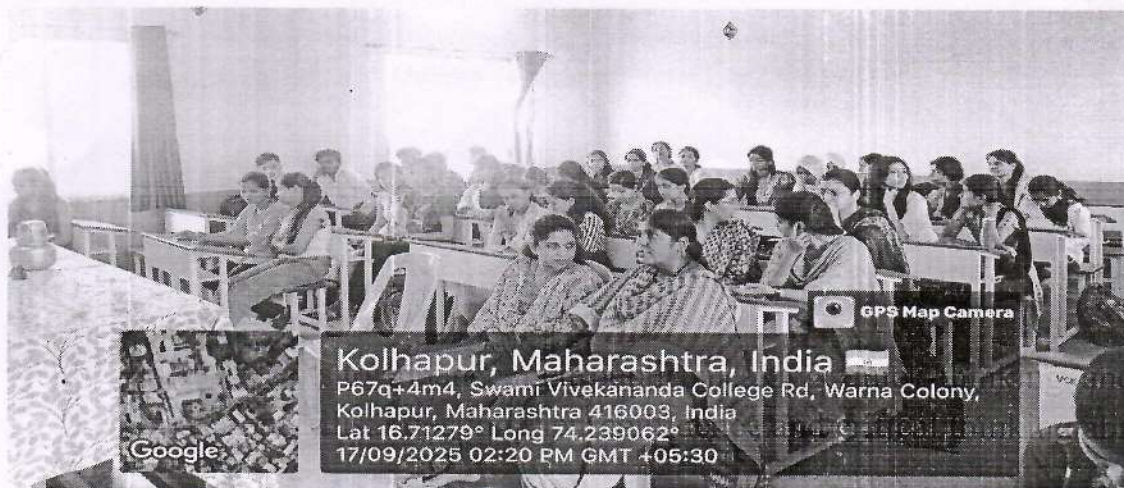

The Extempore competition was organized by the Department of Microbiology on 17th September 2025 in collaboration with IQAC. In this extempore competition, participants were given a life science topic on the spot, with 2 minutes for preparation and 5 minutes for delivery. Judges evaluate based on content (depth, clarity, and originality), language (vocabulary, grammar, and coherence), delivery (voice modulation, body language, and timing), and overall presentation (engagement, confidence, and structure). The competition aims to improve public speaking, critical thinking, and knowledge of life sciences. Participants will gain confidence, enhance their research skills, and learn to communicate complex topics effectively, with the ultimate takeaway being improved communication and deeper understanding of life science issues.

8. Outcomes:

- It helped students to enhance their public speaking, quick-thinking, and communication skills, boosting their confidence and critical thinking abilities.
