Quality Initiatives/ Activities Report

1. **Name of Department:** Microbiology (PG)
2. **Name of Organized Activity:** Students seminar
3. **Date:** 18/08/2025 and 19/08/2025 ,
4. **Aims and Objectives:**
 - To provide an opportunity for students to gain knowledge and skills through interactive activities.
 - To improve verbal communication and to boost confidence of students
 - To improve presentation skill in students
5. **No. of beneficiaries:** 32 (Male 6, Female 26)
6. **Expenditure & funding agency:** Nil
7. **Brief description:** Total 32 students from M. Sc. II (Semester III) Microbiology, had delivered the seminars through power point presentation. Total 10 minutes were given to each student for presentation followed by 2 minutes for discussion.
8. **Outcomes:** Seminars led by students lead to increased confidence, enhanced communication skills, and deeper understanding of complex topics amongst students. It also helped to develop a spirit of collaboration and competition among students, encouraging them to explore areas in depth. Ultimately, it provided a platform for students to share knowledge, improve their public speaking abilities, and learn from each other's research and perspectives. Overall students felt motivated to research and learn new things and acquired experience in presenting ideas similar to what they will encounter in their future careers.
