Report

students mentoring scheme is a very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided accordingly. While working as a mentor out of total 12 students, total from B.Sc. I, II & III were guided. There were some difficulties of academic and psychological nature. They included issues like examination pattern, syllabus, carrier aspects, competitive exam in science, post graduate studies, personal issues etc. The students were guided accordingly. Occasionally they were helped to solve the problems. This activity helped to boost the morale of the students, improve their academic performance, confidence and clear their view regarding carrier opportunities.
