student mentoring scheme is a very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided accordingly. While working as a mentor total 12 students were guided from B.Sc. I, II & III. There were some difficulties of academic and personal problems. They included issues like examination patterns, syllabus, carrier aspects, competitive exams in science, post graduate studies, personal issues etc. The students were guided accordingly. Occasionally they were helped to solve the problems. This activity helped to boost the moral of the students. improve their academic performance, confidence and clear their view regarding carrier opportunities.
