Brief description	: The B. Voc Photography & Videography Department of Vivekanand College, Kolhapur organized a guest lecture in collaboration with Canon under MoU. The session was conducted by Mr. Sudhir from Canon. The session began with an explanation of the basic concepts of photography. After that, the latest Canon cameras and lenses, from basic to advanced models, were introduced and demonstrated to the students. Students were given an opportunity to handle and use the cameras and lenses during the session. This practical demonstration gave students valuable experience in live camera handling and helped them understand the features and use of different cameras and lenses.
Outcomes	: Students developed a better understanding of the basic concepts of photography and gained practical knowledge about the latest Canon cameras and lenses. The hands-on experience helped students improve their confidence in handling professional cameras and lenses and understand their practical use in photography.
