Report

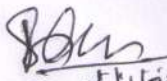

Objectives :-

- To understand the difference between renewable and non renewable energy sources.
- The role of man and environment.

A lecture on "Energy Conversion" was organized on January 4, 2019 for B.Sc.III and M.Sc. students of Physics department. The lecture was initialize by the sanstha's prayer. Aims and objectives of the lecture were introduced by Dr.M.M.Karanjkar. During the lecture Prof. M.M.Wagh, Department of Technology, Shivaji University, Kolhapur traced on the advantages and disadvantages of renewable and non renewable energy technologies in different way. He also explained the role of man and environment in both the energies. Further he briefly gave idea of energy reserves and resource base. After completion of his talk he answered the questions asked by the participants. The vote of thanks given by Prof. C.J.Kamble.

Outcomes:-

- Students are familiar and realize that energy problem cannot be solved by energy technology alone and by only one technology.
