Department of Physics, Vivekanand College Kolhapur organised five days educational tour to **Mysore and Bangalore** from 15th December 2018 to 19th December 2018. The visit was organised with the prior permission of Hon. Principal : Dr. S. Y. Hongekar sir one month before and guidance and tour planned by Mr. C. J. Kamble (Assi. Prof.), Mr. G. J. Navathe (Assi. Prof.), Mr. I. M. Mulla and Mr. Sadafule (Lab attendant) from Department of Physics Vivekanand College, Kolhapur.

We started our tour on 15th December 2018 at Railway Station Kolhapur at 11:30 am proceed to Hubli from Kolhapur (Haripriya Express). We arrived Hubli at 7:40 pm. Then By the Hubli- Mysuru Train we started journey at 9:30 pm for the Mysuru city.

On second day 16th December 2018 early morning arrive at Mysore. After breakfast we visited sightseeing from Mysuru zoo or National park zoo where we saw all animals, all birds, snakes, etc. Mysuru palace or Amba vilas place which is the royal palace of Wadiyar dynasty a Mysuru. The design, architecture, paintings and all of the palace was very attractive and Heritage of not only Mysuru but also of India. After relaxing in premises palace, we visit the unplanned destination i.e. Loka Ranjan Aquarium which was also new in city. There is underwater Aqua Num very beautifully created water Tunnel.

On third day 17th December 2018 at early morning, we visit Chamundi Hills. where we also got a wanderlust and magnificent scenic view of the Mysuru city. After that we reached at best attraction nowadays in Mysuru show city. At 7:00 pm we also watched the famous musical Fountain show reached hotel at 8:30 pm & taken Dinner at 9:00pm.

On Fourth day 18th December 2018 at early morning, we proceed to Bangalore on the way breakfast visit Vishweshwarya Museum. We entered Museum at sharp 12:00 pm. The campus was very attractive as there was Engines, models and a jet Ro-884 set-up arranged. After entering museum, we first gone to a show i.e. SOS : science on sphere which is very informative On spherical ball, Mr. Chandrashekar sir explained interesting and knowledgeable facts about Earth and its atmosphere. After SOS: show we started to visit technical museum.

There was various sections like electrodynamics, Electronics, mechanics, thermodynamics, space science, biology et. we saw lots of interesting facts about physics. we saw the gear mechanism, Taveres, pulleys, petrol & diesel engines steam engineer engine, Aircraft engine, 214 stroke petrol well as diesel engines, cathode ratifies, x-pay tuber vacuum tubes, corona discharge, plasma globe.

On the same day at night, we proceed to our return journey by Rani Chanamma express and reached on next day at 1:30 pm in Kolhapur.

Lastly, I give my sincere thanks to our beloved Principal Dr. S. Y. Hongekar sir for giving permission for this wonderful trip.
