DEPARTMENT OF PHYSICS

STUDY TOUR REPORT (2019-20)

Department of Physics had conducted study-Tour at **Mysuru-kushalnagar-Bengaluru** during period Monday,16th Dec.2019 to Friday 20th dec.2019. With 26 students from T.Y.B.Sc. (Physics) accompanied by Mr.C.J.Kamble(Asso.Prof.), Dr. G.J.Navathe (Assi.Prof.),Miss Pooja Kokitkar(Assi.Prof.),Miss Tejaswini shinde (Assi.Prof.), and Mr .P.B.Harer (lab attendant)

We started our tour on 16th Dec.2019 and reached to Mysuru on 17th Dec.2019 at morning.From Mysuru we proceed to Kushalnagar by Bus and reached ar 8.00 a.m.

On the same day we enjoyed river rafting at famous place Coorg.

After lunch we visited GOLDEN TEMPLE OF BHAGAVAN BUDDHA. The temple is termed golden because of the golden workdone on every painting.It is typical Tibetan monestry.The monastery is presided over by an 18 m high gold plated Buddha.

On 18th dec. in early morning we started our journey toward Mysore.We arrived at Mysore at 10 a.m. We visited following three places

They are Mysore palace, Mysore Zoo and Brindavan Garden.

Mysore palace is a historical palace and a royal residence.It is the official residence of the Wadiyar dynasty. It is one of the famous tourist attraction in India. It is an incredible breathtaking example of Indian architecture

Mysore zoo is a 157 acre zoo located near the palace.It is one of the oldest and most popular zoos in India and is home to a wide range of species.

The Brindavan Garden is a garden located in the Mandya district of the Indian state of Karnataka.It lies adjoining the Krishnrajsagara dam which is built across the river Kaveri.It is one of the attraction of Mysore.

On 19th dec. in early morning we started our journey toward Bangluru.We arrived at Bangaluru at 10 a.m. We visited following places

They are Viswesvraya industrial and technological museum and Iskon temple

Bangaluru is the capital city of Karnatak state.The centre of India's high tech industry,the city is also known for its park.

Viswesvraya industrial and technological museum is a science museum under national council of Science musiums ,government of India.Its objective is to inculcate scientific thinking and sense of inquiry in the minds of the people. The museum strives to achieve this through exhibits and science based activities and shows.Engine hall,Dino corner,Electrotechnic, fun science,space ,biotech, Electronics and children science are its permanent galleries.Exhibits are interesting as they encourage visitors to interact or operate to learn basic principles on their own.

On the same day evening we visited to famous Iskon temple .

On the same day at night we proceed to our return journey by Rani Chanamma express and reached Kolhapur on next day at 3.00 p.m.

Lastly I give my sincere thanks to our beloved Principal,Dr.S.Y.Hongekar for giving permission for this wonderful trip.

Yours faithfully
