Respected Sir,

Thank you very much for delivering an informative and thought provoking lecture as a guest speaker on "Revolutionary concept of atom" held on 24/02/2021 at department of physics, Vivekanand college, Kolhapur (Autonomous).

It was really a splendid presentation which exposed students to the field practice. All the students and staff appreciated and got benefited from your views.

Looking forward for your cooperation.

Yours sincerely

Report of Guest Lecture
Organized on Date 24 February 2021

Department of Physics organized the guest lecture on "Revolutionary Concept of atom" on 24 February 2021 from 2:30 pm to 03:30 pm in smart classroom. The guest lecture gather eminent speaker Dr. R. S. Patil. The lecture was attended 50 students and 4 faculty members of Physics department.

The guest speaker was hearty welcomed by Prof. C. J. Kamble, a senior faculty member. The guest speaker having 30 years of rich experience in Modern Physics. He worked on ferrites. The session was very interactive and students participated enthusiastically. In the beginning Dr. R. S. Patil gave the introduction on atoms and various atomic models. Latter on he explained vector atom model in detail

The vote of thanks was given by Dr. S. I. Inamdar. Department presented small token of appreciation to our valuable guest. As per the feedback received from the participants it was very good learning experience, lecture helped them in their understanding atomic physics.
