

"Dissemination of Education for Knowledge, Science and Culture"

- Shikshanmaharshi Dr. Bapuji Salunkhe

Shri Swami Vivekanand Shikshan Sanstha's

Vivekanand College, Kolhapur (Autonomous)

Department of Physics

Perspective Plan (2018 – 2023)

Department of Physics has prepared the perspective plan for the next five year (2018 – 2023). There may be changes as per requirement of the time.

- 1) Strengthening of innovations and discipline in Teaching-Learning Process.
- 2) To conduct add-on and value-added courses.
- 3) To organize seminars, workshops and conferences.
- 4) Organization of expert lectures to promote research.
- 5) To upgrade the infrastructure in commensurate with contemporary changes in Teaching Learning Resources.
- 6) Organization of best practices related to the Astronomy and Astrophysics, such as Kirnotsav at Mahalaxmi Temple, Sun/lunar Eclipse study, Zero Shadow day etc.
- 7) Career guidance and placement services shall be provided to the students and alumni.
- 8) To conduct Minor/Major research projects.
- 9) To develop new National and International MoU's to accelerate research.
- 10) To create E-learning Program.

Dr. M. M. Karanjkar
