Department of Physics

Perspective Plan (2023 – 2028)

Department of Physics has prepared the perspective plan for the next five year (2023 – 2028). There may be changes as per requirement of the time.

- 1) To encourage faculty to pursue Ph.D.
- 2) To keep the National and International MoU's active.
- 3) To strengthen the Teaching-Learning Process.
- 4) To organize National and International seminars, workshops and conferences.
- 5) To conduct hands-on-training, field project, on-job-training for the students.
- 6) To conduct the training programs in soft skill and employability enhancements for students.
- 7) To organize guest lectures from the subject experts.
- 8) To develop up-to-date research laboratory.
- 9) To apply for Major/Minor research projects to various funding agencies.
- 10) To create online learning resources.
- 11) To encourage faculty to participate in National and International conferences as well as FDP.
- 12) To conduct social outreach activities.
