### About Organizers:-

Vivekanand College, Kolhapur was established in 1964 by Shri Swami Vivekanand Shikshan Sanstha, Kolhapur founded by Shikshanmaharshi Dr. Bapuji Salunkhe with a motto "Education for Knowledge, Science and Culture". The vision and mission statements of the college are clearly indications of the National Policy on Education demanding that centers of higher education should perform multiple roles like creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool, through teaching, research and extension activities. The college is located in the prime area of the city having pleasant and healthy atmosphere. The college is reaccredited with 'A' grade by NAAC with CGPA 3.24. During the last five years the college has been recognized as the College with Potential for Excellence (CPE) twice by the UGC, and included in the Star College scheme by the Dept. of Bio-technology, Govt. of India. The college has achieved 58<sup>th</sup> Rank in India Ranking 2017 conducted by NIRF, MHRD, Govt. of India. In the year 2014-15, the college has been granted B.Voc. and Community College programs in Foundry Technology and Graphic Design/Art. This year UGC has sanctioned Animation and film making and Advanced diploma in Photography programs. The college is recognized as one of the best colleges in the university, not only in academics but also in the fields of sports, cultural, and extension activities. The college has won prestigious 'Meghnath Nageshkar Trophy' consecutively for eleven years as "the best college in the sports" in Shivaji University. The college has acquired first prize in Shivaji University Magazine competition continuously for three years. The college has won the general championship of Shivaji University Central Youth Festival continuously for ten years. The college has highly qualified and experienced faculties with research scholarship and guidance at M.Phil. and Ph.D. level

### About department.

The department of Physics is one of the premier departments of this college. The department offers B.Sc. (six semesters), Astrophysics at B.Sc II, M.Sc. in Solid State Physics and well equipped separate laboratories for undergraduate, postgraduate and unique research laboratory. The department has research linkages with department of Physics, Shivaji University, Kolhapur and School of Nanoscience and technology (SNST) Shivaji University, Kolhapur. Departmental faculties are constantly involved in research activities. Most of them have been engaged in research projects, authoring books and publishing research papers in reputed international and national journals. The department is continuously striving hard for the developments of the students, scientific attitude, and sense of observations and understanding concepts of Physics. Department conducts various activities which include seminars, workshops, tests, Quiz competitions, projects, study tours remedial teaching etc. It also offers campus interview programs and placement services to students. More than 20 students of the department achieved merit ranks in the Shivaji University, Kolhapur. Besides this 24 students achieved INSPIRE fellowship of Government of Maharashtra.

### About conference:

The 'nanomaterials are gripping in diverse fields and providing excellent outcomes in terms of different parameters. Therefore, it should be considered as the need of today to combine different ideas of researchers working in different domains to develop cost-effective and reliable technology for day-to-day life. The conference will serve as an emerging platform to share and discuss all the innovations in the nanomaterials and their applications. The conference brings together leading scientific community of Physicists, Chemists, and Biologists to share their experiences and research results about nanomaterials. It also

provides the premier interdisciplinary forum for researchers, practitioners and educators regarding the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of nanomaterials. The conference will have sessions covering all aspects on synthesis, characterization of nanomaterials and their applications.

### Focus of conference :

- 1) Synthesis and Characterization of nanostructure material.
- 2) Nanobiomaterials.
- 3) Supercapacitor and fuel cells.
- 4) Carbon nanotubes and graphene.
- 5) Photovoltaic and solar cells at nanoscale.
- 6) Quantum dot.
- 7) Nanofabrication, nanoprocessing and nanomanufacturing.
- 8) Fabrication of nanodevices for electrical energy storage.
- 9) Nanosensors.
- 10) Aerogels.

### Call for Abstracts :

A copy of the abstract of the original paper should be email at [ncnm2018@gmail.com](mailto:ncnm2018@gmail.com) on or before 14 August 2018. Abstracts may be confined to A4 size paper having Maximum 300 words with Times New Roman 12 font, 1.5 line spacing. All the accepted abstracts will be copied in CD.

Respected Sir,

Greetings from Vivekanand College (Autonomous) Kolhapur, India.

The Vivekanand College with the Knowledge partner School of Nanoscience and technology, Shivaji University, Kolhapur is organizing the National Conference on Nanomaterials on August 21, 2018. On behalf of the organizing committee, we take this opportunity to invite you to deliver a lecture on your current research activities in nanomaterials. The duration of your deliberation is of 60 minutes including discussion of about 5 minutes.

The aim of this conference is to highlight the importance and applications of nonmaterials research to the participating graduate / M.Sc./PhD students and young faculty. Since you are the expert working in the area, we would like to invite you to present your work at the conference.

We sincerely hope that you would be able to participate in the conference and we would appreciate if you could confirm your acceptance at an early date.

The flyer of the workshop is attached for your information and circulation among your colleagues and students.

We look forward to meet you in August 21, 2018 at Kolhapur.

Thanking you.

### One Page Report

<b>Name of the Department</b>	Department of Physics						
<b>Name of the Activity</b>	National Conference on nanomaterials						
<b>Date / Duration</b>	Tuesday, 21 Aug 2018, 8:30 am to 4:45 pm						
<b>Aims and Objectives</b>	<p>1) The need of today to combine different ideas of researchers working in different domains to develop cost effective and reliable technology for day-to-day life.</p> <p>2) To serve as an emerging platform to share and discuss all the innovations in the nanomaterials and their applications.</p> <p>3) The conference will have sessions covering all aspects on synthesis, characterization of nanomaterials and their applications.</p>						
<b>No. of Beneficiaries</b>	<table><tr><td>Teachers</td><td>05</td></tr><tr><td>Students</td><td>256</td></tr><tr><td><b>Total</b></td><td><b>301</b></td></tr></table>	Teachers	05	Students	256	<b>Total</b>	<b>301</b>
Teachers	05						
Students	256						
<b>Total</b>	<b>301</b>						
<b>Expenditure and Fundings</b>	College funds						
<b>Brief Description</b>	Dr. M. M. Karanjkar, Professor and Head, Department of Physics, Vivekanand College, Kolhapur (Autonomous) has gave preface about the conference and welcomed professor Dr. P. S. Patil, Dean, Science and technology Shivaji University, Kolhapur has given keynote address. Total 256 students have attended the conference. Inaugural of E-abstract book was done by the auspicious hands of principle S. Y. Hongekar.						
<b>Outcomes</b>	Participants got useful information about synthesis of different nanoparticles, deposition techniques and industrial applications of the synthesized nanomaterials.
