

	"Dissemination of Education for Knowledge, Science and Culture" -Shikshanmaharshi Dr. Bapuji Salunkhe Vivekanand College, Kolhapur (An Empowered Autonomous Institute) Department of Political Science 2025-25	
---	--	---

Activity Report

1. Name of the Department – M. R. S., Political Science

2. Activity – Workshop on Data Analysis and Interpretation in Field Project

3. Date / Duration – 15 October, 2026

4. Aims and Objectives:

- 1) To enable students to design appropriate questionnaires based on research questions.
- 2) To develop students' ability to interpret quantitative and qualitative data.
- 3) To train students in drawing meaningful conclusions from data.

5. No. of beneficiaries: 40

6. Brief description:

The workshop on "Data Analysis and Interpretation in Field Project" was organized by the Department of Political Science for M.R.S. and B.A. students on 15 October, 2026 in Room No. 201. The programme was coordinated by Ms. Samiksha Farakate. The workshop was inaugurated by IQAC coordinator Dr. Shruti Joshi, who appreciated the initiative taken by the department and emphasized the importance of research skills in social sciences.

The resource person, Mr. Swapnil Barai, an Independent Development Professional, conducted the session and guided the students on framing questionnaires based on research objectives. He elaborated on techniques of data collection and interpretation with practical examples. He delivered the session with the help of hands-on learning activities like poster-making, group activities and presentations. Students actively participated in the session and engaged in discussions regarding survey design and data analysis.

An interactive session was held where students clarified their doubts and shared their perspectives on field research.

The programme concluded with a vote of thanks proposed by Dr. Avadhoot Tipugade, expressing gratitude to the resource person and participants.

7. Outcomes:

- 1) Students learnt how to frame questionnaires based on research questions.
- 2) Students developed the ability to interpret data effectively.

3) Students learnt to derive meaningful conclusions from data.
