EK HAAT MADATICHA REPORT**

On April 24, 2023, a one time food was donated to the needy and destitute people of Kolhapur city on behalf of the Department of Sociology in the college under the initiative "Ek Haat Madaticha". India is the second most populous country in the world. Today, the population of India is around 140 crores. Although India is self-sufficient in terms of food grains, still around 30 to 35 percent of people cannot afford a single meal. The number of people sleeping hungry is also increasing continuously. So that these poor and needy people get one meal and create a social consciousness, one meal was given as a helping hand to the needy people by the Department of Sociology. There is no shortage of food grains in a country like India. In hotels, weddings, large quantities of leftover food are thrown away. On the other hand, the poor and destitute people do not get one-time meals, so as a social awareness, an activity to donate food was implemented on behalf of the Department of Sociology.

This activity organized under the guidance of, principal of the college Dr. R. R. Kumbhar sir as well as I.Q.A.C. Co ordinator Shruti Joshi Madam. The Head of Department of Sociology H. Vi. Chame, Dr. Dadasaheb Ghadge, Arya Patil and students from the Department of Sociology collaborated for this.
