Report of Guidance by Mr. M. S. Barale for B.Sc. III Students
Title: "Job Opportunities in Government & Private Sector"

During B. Sc. the student has a mind why we choose this Subject? & what are the opportunities after Completing B. Sc.? Or Are any jobs after completing only B. Sc.? These and many more questions are arising in their mind. So we solve this problem taking a lecture on "Job Opportunities in Government & Private Sector" by Mr. M. S. Barale

In this, he said that what is Statistics? And the scope of Statistics in various field.

- After B. Sc. one can go for doing post graduate like M. Sc., MBA, and MCA. In M.Sc. there is M. Sc in pure Statistics, M. Sc. in Applied Statistics, M. Sc. in Population Studies.
- After B. Sc. one can doing a job. Jobs like Data analyst in various companies like TCS in private sector. In government sector gives exams like MPSC.
- After M. Sc. one can doing a job. Jobs like in government sector as a professor, or as a lecturer. In private sector again as a data analyst & many more posts are available.

All B.Sc. III students are attend this lecture.
