DEPARTMENT OF STATISTICS

Report on Poster Presentation

Aim: To enhance understanding of statistical concepts through posters and to improve communication skills by effectively presenting findings.

Objectives:

1. Present complex statistical concepts in an understandable manner, using visual aids effectively.
2. To enhance presentation skills.

Time & Date: 11th October 2024 (11.00 AM onwards)

Venue: Department of Statistics

Chief Guest: Dr. M. S. Barale, Assistant Professor, Central University, Rajasthan.

Number of students: 72

Number of Teachers: 7

Brief description:

Dr. M. S. Barale and Mr. S. P. Thorat (head, Department of Mathematics) inaugurated the activity and guided students regarding presentation skills. Mrs. V. C. Shinde (head of the department) enlightened students to use various statistical methods in various fields. Students explained their posters to our guests. More than 40 students participated in the poster presentation, presenting over 13 posters that utilized statistics in various fields. B. Sc. I students presented posters on “Biostatistics” and “Cyber Security,” and BSc II students presented posters on “Descriptive Statistics.” B. Sc. III students presented posters on “Index Numbers.” M.Sc. I students presented posters on “Introduction of Six Sigma,” “Statistical Quality Control,” “Inferential Statistics,” etc. Some of the MSc. II students presented posters on “Applications of Data Mining,” “Python Programming,” and “Power BI,” etc.

Mr. Ashok Bhosale served as the anchor, while Mr. Atish Tangawade presented the vote of thanks.

Outcomes:

1. Students gain a clearer grasp of key statistical theories and methodologies, facilitating better application in their studies.
2. The presentation fosters discussions and questions, leading to a deeper interest in statistical concepts and their real-world implications.
