Poster Presentation Report

Date: 27/02/2026

2025-26

The Department of Statistics, Vivekanand College, Kolhapur, organized a **Poster Presentation Programme** to provide students with an opportunity to present their ideas, statistical analyses, and research findings in an innovative and effective manner. The activity aimed to develop students' research aptitude, data interpretation skills, presentation skills, and confidence.

The programme was graced by **Dr. S. D. Pawar** as the **Guest**. The event was conducted under the guidance of **Dr. V. C. Shinde, Head, Department of Statistics**. Students actively participated in the poster presentation and presented posters on various contemporary and statistical topics. They explained the objectives, methodology, data analysis, findings, and conclusions of their respective studies.

Dr. S. D. Pawar appreciated the students' efforts and encouraged them to undertake research-oriented activities based on real-life problems and available data. The guest also highlighted the importance of statistical thinking, proper data analysis, and effective communication of research findings.

The Head of the Department, **Dr. V. C. Shinde**, appreciated the active participation of the students and emphasized that such activities help bridge the gap between theoretical knowledge and practical application. The programme provided students with valuable exposure to research, teamwork, creativity, and scientific presentation.

The poster presentation was successfully completed with enthusiastic participation from students and faculty members. The event was a valuable learning experience and contributed to the overall academic and professional development of the students.
