DEPARTMENT OF STATISTICS
Guest Lecture
on
“Essentials of Framing Research Projects in Statistics”

Aim: Introduction of effectively framing and designing statistical research projects.

- **Objectives:**
 1. To identify and define clear statistical research problems.
 2. To introduce key steps in planning and structuring a research project.
- **Time & Date:** 5th July 2025 (At 02.30 pm)
- **Venue:** Department of Statistics
- **Resource Person:** Prof. (Dr.) D.M. Sakate, Professor, Department of Statistics and Applied

Mathematics, Central University, Tamil Nadu.

- **Number of Students:** 22 (14 girls and 8 Boys)
- **Number of Teachers:** 6
- **Brief description:**

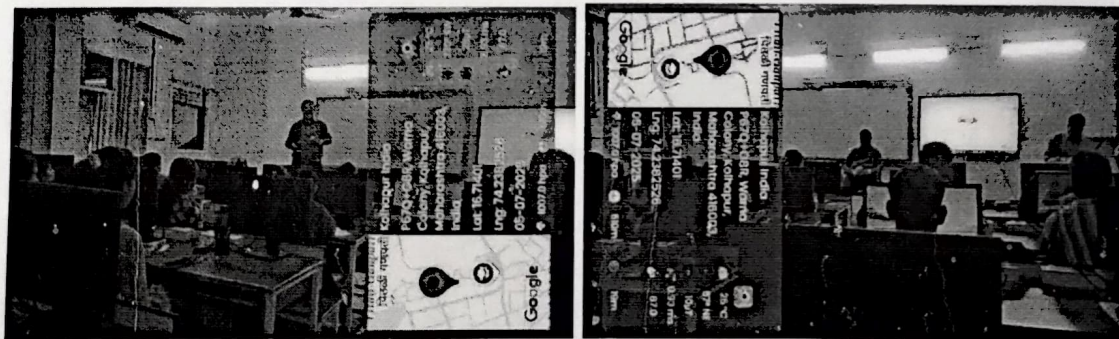

Guest Lecture on “Essentials of framing research projects in Statistics” by Prof. (Dr.) D.M. Sakate, Professor, Department of Statistics and Applied Mathematics, Central University, Tamil Nadu, held on July 5, 2025. In his lecture, he explained the basic concept of a research project and the key steps required to structure it. He distinguished between empirical and theoretical research, providing guidance on how to choose an appropriate approach. He also described how to conduct a literature survey using platforms like Google Scholar and how to organize it effectively. Additionally, he shared his personal experiences related to research projects.

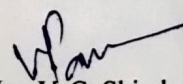

The vote of thanks was presented by Mr. A.B. Bhosale.

Outcomes:

After the guest lecture students,

- Understood the concept and essential steps involved in structuring statistical research project.
- Learned how to do a literature review and plan a project.

Mrs. V. C. Shinde
