Report on Birth Anniversary Celebration of Prof. P.V. Sukhatme

Date: 27th July 2026

Time: 02:00 p.m.

Venue: Department of Statistics

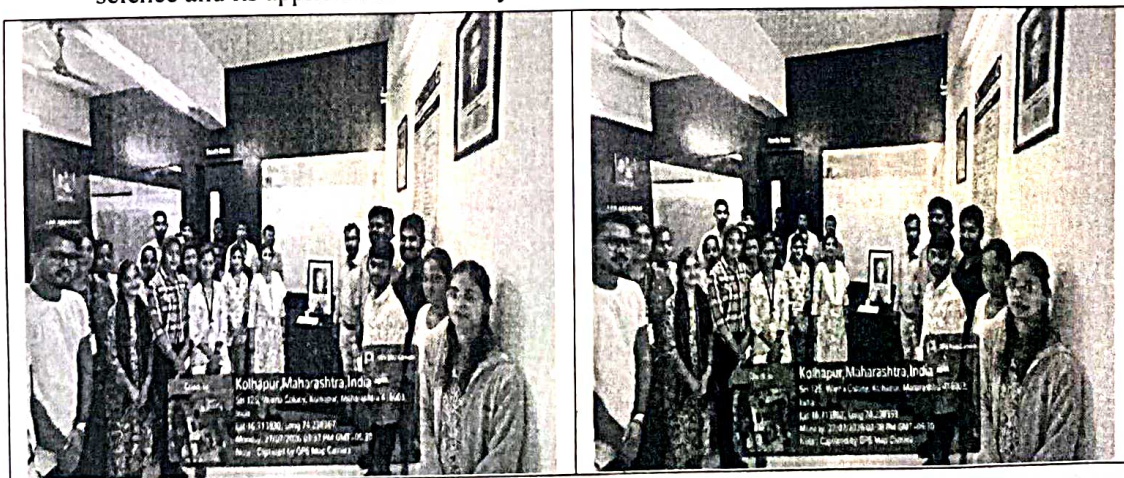

The Department of Statistics, Vivekanand College, Kolhapur (Empowered Autonomous), celebrated the **Birth Anniversary of Prof. Pandurang Vasudev Sukhatme** on **27 July 2026** to commemorate the life and remarkable contributions of one of India's most distinguished statisticians. The programme was organized with the objective of creating awareness among students about the invaluable contributions of Prof. Sukhatme to the field of statistics, agricultural research, sample survey methodology, and statistical education.

On this occasion, Miss V. C. Shinde delivered an insightful lecture on the life, achievements, and pioneering work of Prof. P. V. Sukhatme. She explained his outstanding contributions to agricultural statistics, sample survey techniques, experimental design, nutrition research, and his role in promoting statistical applications in planning and policy formulation. She also emphasized the importance of following his dedication, scientific approach, and commitment to research for the advancement of society.

The programme concluded with a vote of thanks, expressing gratitude to the Head of the Department, faculty members, and students for their active participation in making the event meaningful and successful.

Outcomes of the Programme

1. Students became familiar with the life and significant contributions of Prof. Pandurang Vasudev Sukhatme to the field of statistics.
2. Participants gained a better understanding of the importance of statistical methods in agriculture, sample surveys, and national planning.
3. The programme inspired students to develop a scientific attitude and interest in statistical research.
4. Students appreciated the role of eminent statisticians in the development of modern statistical science and its applications in society.
