	<p>The students mentoring scheme stands as a crucial initiative. It serves as a platform to comprehend the challenges & obstacles faced by students, offering guidance & counselling tailored to their needs. While fulfilling the role of a mentor, I had the privilege of guiding total of 22 students including 10 from BSc-I, 7 from BSc II & 5 from BSc III. (distinctively referred to as 'life's adventure') The issues encountered ranged from academic hurdles to psychological concerns. I helped students to solve their problems like difficulties in understanding subject knowledge, choosing appropriate value added course, etc. This activity boosted moral of students, improved academic confidence & cleared their views regarding career opportunities.</p>
