PALLAVI VIJAY RANSUBHE

PROFILE

Dedicated and seasoned in the field of Statistics, I hold a Master's degree in Statistics and am SET-qualified. I am currently pursuing a Ph.D. in Operations Research at Dr. Babasaheb Ambedkar Marathwada University, Sambhajinagar. With a rich academic background, I have accumulated over 5 years of teaching expertise from Rajaram College and Vivekanand College in Kolhapur, catering to M.Sc., B.Sc., BBA, BCA, and B.Com. students. My subjects of instruction span, Data Mining, Machine Learning, Statistical Quality Control, Inference I & II, Probability Distributions I & II, Operation Research, Data Mining & Statistical Quality Control, Business Statistics I & II.

In addition to my academic journey, I bring 9 months of hands-on experience as a Field Investigator at the National Sample Survey Office, FOD, Kolhapur. This role has not only honed my statistical skills but has also provided me with practical insights into data collection methodologies and real-world applications of statistical principles. My multifaceted experience reflects my commitment to both academic excellence and the practical implementation of statistical knowledge in the field.
