Place- Room No 41

Time: 2.00 pm

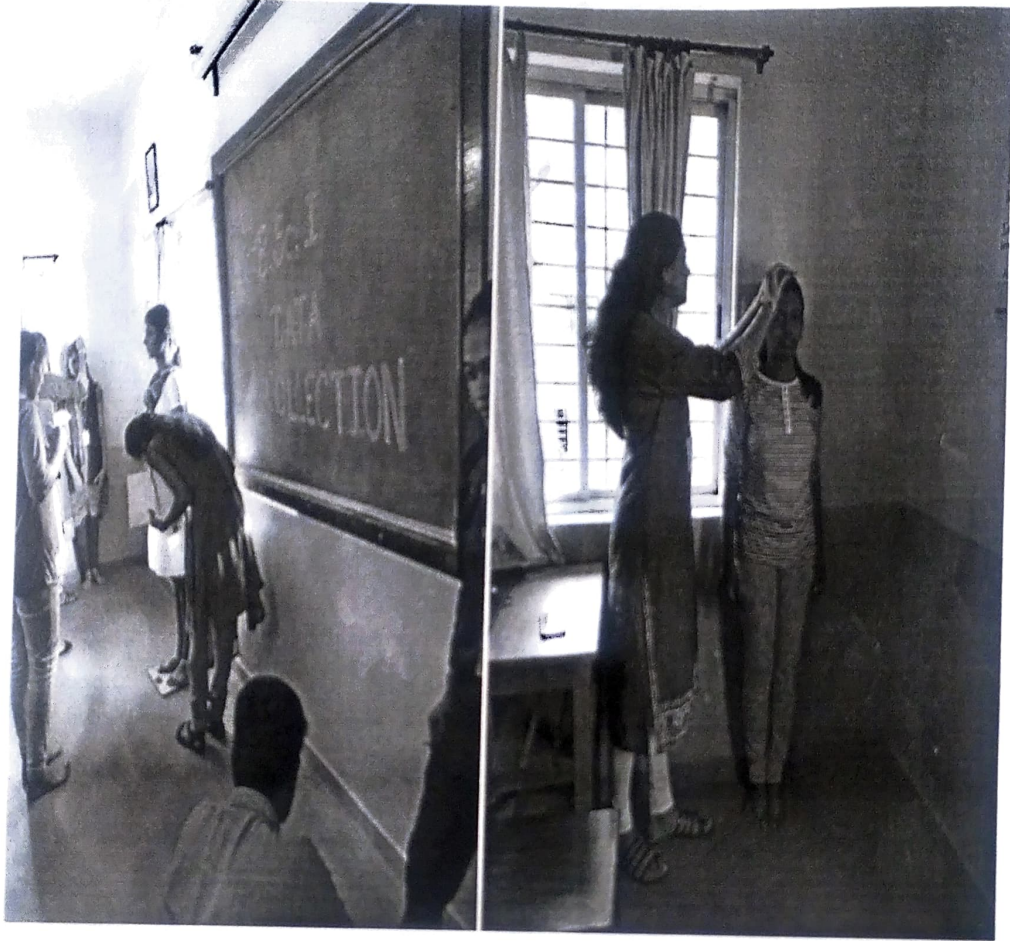

Data is nothing but the information. Mainly types of data are primary & secondary. Hence to get more idea about collection of a data at primary level. We conduct a workshop cum activity for students of **first year** under the guidance of Ms. V. V. Pawar.

Aim:

1. To get idea about How to collect data?
2. To get idea about How to draft a Questionnaire?
3. Use of Statistical tools & methods in our day to day life.
4. To encourage our students towards to Statistics subject.

Ms. M. B. Lohar & Ms. S. S. Nerlekar gave information about “How to set a questionnaire?” for collection of primary level data.

In a questionnaire, there is a question about height & weight of a student. With the help of B. Sc. III student we took actual measurement regarding height & weight of B.Sc. I students.
