DEPARTMENT OF STATISTICS

Lead College Workshop on "Exploring the Synergy of AI and Statistics in the Modern Era"

- **Aim:** To empower students with a deepened understanding of the collaborative potential between AI and Statistics, fostering knowledge enrichment and innovative thinking in the modern era.
- **Objectives:**
 1. To deepen participant's understanding of the collaborative potential between AI and Statistics.
 2. To showcase real-world applications and case studies to demonstrate the practical implications of AI on statistical analysis.
 3. To explore emerging trends in AI and Statistics, anticipating collaborative opportunities and challenges.
- **Time & Date:** 09.30 am to 05.00 pm 13/01/2024
- **Venue:** Department of Statistics
- **Number of students:** 98
- **Number of Teachers:** 18
- **Brief description:**

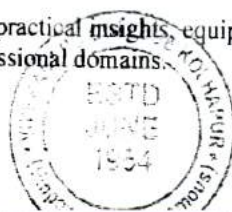

The event embarked with an insightful inauguration by Prof. (Dr). D. T. Shirke, Vice Chancellor, Shivaji University, Kolhapur by watering the sapling. Principal Dr. R. R. Kumbhar, Vivekanand College, Kolhapur, Dr. V. B. Waghmare, Lead college activity Co-ordinator, Head, Department of Computer Science and Ms. V. V. Pawar, Head Department of Statistics and Co-ordinator of lead college workshop were also present at the inaugural function. The theme of the workshop was introduced by Ms. V. V. Pawar. Prior to the keynote address, Asst. Prof. Mr. A. B. Bhosale introduced our Chief Guest to the participants. In his keynote address Prof. (Dr). D. T. Shirke explained how Artificial Intelligence and Statistics works in synergy and how statistics plays important role in data science by discussing some real-life examples like G-mail spam emails, bank loans, R package data of IRIS and much more, which made the participants think over it. Asst. Prof. Ms. P. V. Ransubhe Co-ordinator of the workshop presented the vote of thanks.

The inauguration was followed by the first session "Foundation of Synergy". The resource person for this session was Prof. (Dr). D. N. Kashid, Former Head, Department of Statistics, Shivaji University, Kolhapur. He explained concepts of Machine Learning like, Supervised, Unsupervised, Semi-supervised Machine Learning and Neural Network Machine Learning which included SEMMA, CRISP-DM methodologies. The second session, "Innovative Fusion" had Ms. S. M. Bhoori as the resource person, Lecturer at Department of AI & ML, BSIET. She engaged the workshop by discussing the case study of R Package data of IRIS and explained how Python tools like NumPy, pandas, Matplotlib and scikit-learn can be used in the analysis and predictive modelling. The third session, "Statistical Analysis using AI & ML" had Dr. S. S. Sutar, Asst. Prof. YCSR, Shivaji University, Kolhapur as the resource person. He explained one of his case studies on solar panel, where he used AI & ML tools for effective analysis.

The valedictory session was open for discussion. Dr. S. S. Sutar addressed the questions asked by teachers and students from the audience. The teacher representative and students from other colleges congratulated the organizers on selection of theme of workshop and its rich sessions. The certificates were distributed marking the successful completion of the workshop. Ms. A. M. Makandar expressed vote of thanks of the whole day.

Outcomes:

- Participants gained a nuanced understanding of the collaborative potential between AI and Statistics, deepening their knowledge base.
- Real-world applications and case studies provided practical insights, equipping attendees with tangible knowledge applicable to diverse professional domains.
