**ACTIVITY REPORT
STUDY OF BIODIVERSITY OF BIRD ON RANKALA LAKE
18th October 2019**

Department of Zoology has organized the Bird watching activity on 18th October 2019. There were 136 students of B.Sc. part I, II and III. They have actively participated in this activity to study the biodiversity of birds at Rankala Lake. Dr. Kiran P. Shinde has guided and given information to the students about the birds. Some birds observed at are Sparrow, Peogon, Pond Heron, Grey heron, Grey Shrimped Hen, King fisher, Dove, etc. All the faculties of Zoology were present for the same activity. The aim of these activities is to increase the knowledge, awareness about birds and their importance in nature among the students. It is also useful to divert student's brain to focus on importance of biodiversity and conservation of biodiversity. Student were actively involved in the activity. Participants 136 students.
