Guest Lecture- Management of Biological Disaster

Report

Online Guest lecture on topic "Management of Biological Disaster" was organised by Department of Zoology Vivekanand College, Kolhapur (Autonomous). The Guest Lecturer was Dr. P. Y. Patil, Assistant Professor, Department of Environmental Science, sub-centre Ratanagiri. Biological Disaster Management refers to the emergency plans in place in the event of a planned or unintentional biological release. The nature of the occurrence determines the response. A biological disaster is a calamity that causes widespread illness and death among humans and animals when they come into contact with biological perils in the form of live microorganisms such as bacteria, viruses, fungus, and other microbes.

Aim of this lecture to create awareness about Biological Disaster and its management among the students. Lecture was organized on 28th October 2021 at 10 am on Google Meet platform. For this lecture 33 students was present among them 31 are girls and 02 are boys. The introduction of the guest lecture and program was given by Dr. G. K. Sontakke and vote of thanks given by Dr. T. C. Gauapale. After completion of this lecture student should be understand Biological Disaster Management, student should apply the knowledge of Biological Disaster Management in day to day life
