6. **Brief description:**

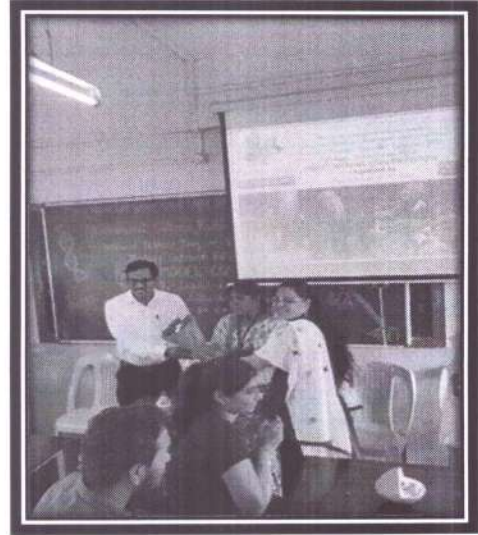

On the occasion of the National science day, craft model competition activity was organized by department of Zoology for students of B. Sc. I, II and III, under the banner of zoology science fair 2023. The topics allotted for this competition was based on the syllabus of zoology. The President of this competition was Principal Dr. R. R. Kumbhar. The inauguration of program was done by hands of Dr. Arjun Kumbhar by offering water to plant and cutting the ribbon. Then student's presented their craft models on allotted topics such as geological time scale, animal cell, Miller Urey Experiment, DNA Model, DNA replication model, digestive system etc. Introduction of program given was by Dr. T. C. Patil and vote of thanks given by Dr. S. S. Desai.

7. **Outcomes:**

1. Students should be able to construct craft model
2. Students should be able to collect and present information of craft model

3. Student should be able to develop skills of data collection, interpretation, presentation and communication

(28th February, 2023)
Academic year 2022-23

Report

With the aim to encourage students to express themselves through Scientific craft models and providing them a fun activity and a chance to be more creative Department of Zoology, Vivekanand college, Kolhapur (Autonomous) was organized Craft model competition under Zoology Science fair on the occasion of Science day on 28th February, 2023 at 11.00 to 2.00 pm. Theme for the Craft model competition was from origin of life to animal physiology.

The president for this program was hon'ble principal Dr. R. R. Kumbhar Sir, Principal, Vivekanand College, Kolhapur (Autonomous) and chief guests for this program were Dr. A. S. Kumbhar Sir, Professor, Department of Chemistry, Vivekanand College, Kolhapur (Autonomous). Examiner for the competition was Ms. S. H. Nadaf, Head and Assistant professor, Department of Biotechnology (Optional). The program was started by inauguration at 11.30 am by cutting the ribbon. Respected Dr. G. K. Sontakke sir, Head & Assistant Professor, Department of Zoology, Vivekanand College, Kolhapur (Autonomous) was given welcome address. He welcomed Principle Dr. R. R. Kumbhar Sir and Dr. A. S. Kumbhar Sir by offering flower bouquet as a token of respect. Introductory speech was delivered by Dr. T. C. Patil, Assistant professor, Department of Zoology. She explained purpose of the celebration of Science day and organizing craft model competition. Dr. A. S. Kumbhar sir share their thought and appreciated students for participating in the competition. Principal Dr. R. R. Kumbhar Sir in presidential address congratulates to the all students and department for organizing such event and also provide valuable guidance to the students.

Afterwards the Prin. Dr. R. R. Kumbhar sir, Dr. A. S. Kumbhar Sir, Ms. S. H. Nadaf Madam observed the craft model presented by students. Total 16 craft models were presented by students in front of them based on Geological time scale, Miller and Urey experiment, Structure of Animal cell, DNA, nucleus, and mitochondria, Model of DNA replication, Working model of

Digestive and Excretory system, Circulatory system, Process of Dialysis and so on. 32 students from B. Sc. I, II and III were participated in the competition. Vote of thanks was offered by Dr. S. S. Desai Assistant Professor, Department of Zoology. Total 48 students and 19 faculty members were present for the program.

The objective of this event was to give our students the opportunity to dedicate their time to something positive, channeling their energies into creating something original to share with others Also Crafting helps to focus Students attention and forces them to be completely immersed in the moment. Creating something for themselves and others also helps students sense of self-efficacy, or the belief in their own abilities.
