Quality Initiatives/ Activities Report

1. **Name of Department:** ZOOLOGY

2. **Name of Organized Activity:** Blood Group Testing Camp

3. **Date/ Duration:** 2nd November 2023

4. **Aims and Objectives:**

Aim: to provide students, faculty, and staff with the opportunity to determine their blood groups.

Objectives:

- Promoting awareness about the importance of knowing one's blood type for medical emergencies
- To create awareness about blood donation.

5. **No. of beneficiaries:**

Sr. No	Teacher		Students		Total
	Male	Female	Male	Female	
1.	8	3	16	42	70

6. **Expenditure & funding agency:** Vivekanand College, Kolhapur (Empowered Autonomous) Rs- 500

7. **Brief Description:**

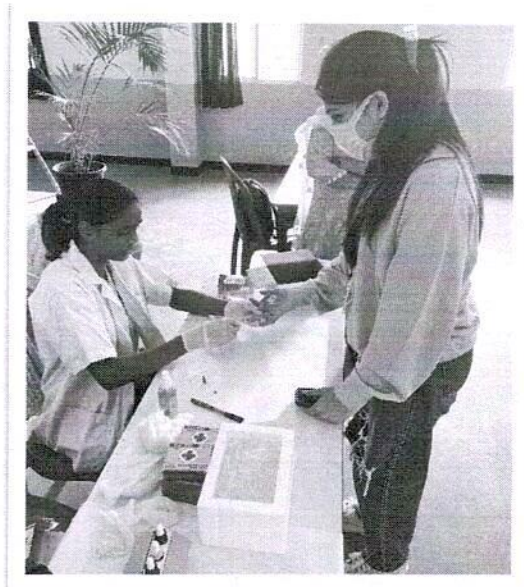

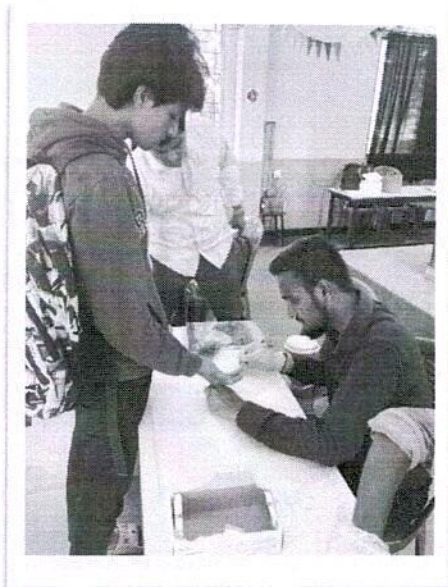

The Department of Zoology, Vivekanand College, Kolhapur (Empowered Autonomous), organized a Blood Group Testing Camp in collaboration with URA Diagnostic Centre, Kolhapur, on Thursday, 2nd November 2023, in Library Hall. The event began with a Sanstha prayer and the felicitation of Mr. Adib Mujawar from URA Diagnostic Centre, Kolhapur, by Dr. G.K. Sontakke. A highly experienced laboratory technician from URA Diagnostic Centre, Kolhapur, smoothly conducted the camp using standard testing kits. Participants received their blood group results immediately after the test. In total, 65 students, as well as teaching and non-teaching staff from the college, benefited from this Blood Group Testing Camp. The camp was helpful for the participants and successful in creating awareness among them. This event was organized by Dr. G.K. Sontakke, Head of the Department, and received support from all teaching staff and students of the department.

8. **Outcomes:**

- Individual Blood Group Results: Participants receive information about their specific blood group (e.g., A, B, AB, O, and Rh factor).
- Blood Group Cards: Participants may receive blood group cards or certificates that can be kept for personal records or in case of medical emergencies.

- iii. Knowledge and Awareness: Participants gain awareness about their blood type and its importance for medical emergencies, blood donation, and healthcare.
